OMNIBUS ORDER
DISALLOWING LIMITED PARTNER "CLAIMS"

(138)

There came on for hearing the Trustee's Omnibus Objection to Limited Partner "Claims" pursuant to 11 U.S.C. §726(a)(6) and BLR 3007(f). Proper service of the Objection on each Claimant listed in the Objection has been shown (including in such service a complete copy of the appropriate Claim, and associated affidavit, the notice of hearing, and all other required documents specified in this Court's Order Approving Omnibus Objection Procedures (docket #133)). The Court has reviewed each Claim, the Trustee's Objection as to each, and the affidavit in support, as well as any timely filed answer or response. The Court finds that the Objection is meritorious as to each Claim, is supported by sufficient credible evidence demonstrating that each Claim is actually a Limited Partner's Proof of Interest, that the Omnibus Objection should be sustained as to each Claim identified on the Omnibus Objection, and that each such Claim properly subject to being disallowed. It is therefore

ORDERED that the Trustee's Objection to the following Claims filed by limited partners, is hereby SUSTAINED, and each of these Claims is DISALLOWED:

EXHIBIT D-1
TRUSTEE NARRATIVE AND / OR INTERIM TIME RECORD

I reviewed the Debtor's schedules and statement of financial affairs before conducting the §341 Meeting of Creditors. I filed a Notice of Private Sale to liquidate the Estate's interest in the personal property assets scheduled by the Debtor. Objections were filed to the sale and subsequently I conducted a public auction which brought approximately \$117,000.00.

I hired an accountant to review to the corporate books and records and to prepare the Estate's tax returns. I hired an attorney to investigate potential fraudulent or preferential payments.

I reviewed the proof of claims filed in this case. I reviewed and approved the Trustee's Final Report.
